# Empower a Life

Kisakye Educational Initiative for Girls has proudly supported over 300 Vulnerable Girls ,teenage mothers, single mothers and vulnerable women in Hands-On skills, School fees, Scholastic materials, Evangelism, Comprehensive Sexual Reproductive Health and Rights trainings, Advocacy, Emergence Care and Support, and Economic Empowerment.

This November 1st 2025, we invite you to join us as a sponsor of Dine for Hope, our annual fundraiser held at Bungee Uganda Jinja. As a sponsor, you'll be making a powerful difference in the lives of teenage mothers and vulnerable girls, helping them find strength and support when they need it most.

Your sponsorship means more than just a name on a banner. It means comfort, financial relief, and a renewed sense of hope for the teenage mothers together with their children and the Girls whose future is at stake. It's a chance to stand with a community of compassionate, like-minded individuals, united by a common cause.

From visibility at the event to recognition in our promotional materials, your support will be celebrated and appreciated by all who share our mission.

Below are the sponsorship options available and if you're ready to make a lasting impact, connect with us to learn more about becoming a sponsor. Together, we can spread hope and make a difference.

# KEIG TRAINING CENTER

Briefly on Kisakye Educational Initiative for Girls – KEIG training Center;

In June 2022, we started a skilling program with only one manual sewing machine aimed at equipping teenage mothers in Iremerya Buyende. Two Years later, in October 2024, we received machines from Tools With A Mision to support our Initiative. Although most machines were electrical, we saw an opportunity to adapt and make a difference in the areas of Buwenda, Butiiki, Bujagali and the surrounding areas as the many young girls had dropped out of schools following the COVID-19 pandemic. Recognizing the alternative need, we decided to utilize the machines to support 30 teenage mothers, single mothers and girls in the community.

We had a fundraising event, Steps For Hope Color Run, on 9th June 2025 aimed at supporting our skilling facility. We are happy to say that not only did the initiative raise funds but also brought our community together in support of the common goal. As we reflect on the success of the Steps For Hope Color Run, we invite you to join us for “Dine For Hope” where we will get the opportunity to come together, share ideas, and contribute to the betterment of our community. Your support will enable us to continue providing vital skills training and empowering the teenage mothers and girls to build a brighter future.

**You don't need to have much to give back to the most vulnerable.**

**Give Hope As we Dine for A Cause**

# DINE FOR HOPE EVENT
